Faculty of Engineering  
Department of Electrical Engineering

## Information Form to Appoint a Supervisor for the New International M.Sc. Students in Power Engineering

### 1- Personal Details:

Student Name:

Student Number:

Date of Birth:

Tel. No.:

Email:

Address:

### 2- B.Sc. Education Information:

B.Sc. Subject:

B.Sc. Average Score (out of 100):

B.Sc. University:

### 3- Employment and Experience:

Name of Organization:

Type of Work:

### 4- Specify four items of your interests for MSc research field (Write priority numbers):

Power System Analysis

Power System Protection

Renewable Energy

Electrical Machine and Drives

Power Electronics

Distribution Systems

Power System Transients

Modern Control

Power System Reliability

Power System Operation

Power System Dynamics

Power Quality

FACTS Devices

Smart Grids

Power System Planning
